

Hydro-Cutis™ CREAM

**NOW AVAILABLE FOR
OFFICE DISPENSING!**

Hydrating Skin Therapy with Ammonium Lactate

Hydro-Cutis Cream contains ammonium lactate, a clinically proven skin hydrator and exfoliator. This pH balanced formulation gently encourages natural skin cell renewal by eliminating dead cells on the skins surface.

Daily Moisturizing Cream Formulated for the Lower Extremity

- Relieves rough, dry skin
- For Both Diabetic and General Foot Care
- Gently exfoliates, intensely hydrates
- Non-Greasy Formulation
- Paraben-Free

Hydro-Cutis Cream offers long-lasting moisturization thereby offering relief from dry, scaly skin.

Available in 2 sizes:

- 24 oz Office Use Pump Bottle**
